Dave - yes, I received your acceptance of tomorrow's call. The plan is to have the lower harbor report drafted in August and a separate upper harbor report in October. You wanted to keep them separate and to have ERDC focus on the lower harbor report first as that was important to get finalized by end of September.

Bob

Description

Bob - 10am tomorrow works for me. Just to clarify the final report would be for the lower (not upper) harbor CAD cell! << File: ATT817577.htm >> << File: ATT817578.htm >> << File: c104823.ics >>
